

NOGA deburrer blade BS3510 S35 L/R HSS (62-64Rc)

61120430

NOGA S35 deburring blade for straight edges

The NOGA S35 blade makes it possible to deburr straight edges on most materials, and therefore an obvious choice if you work in different materials. The blade is designed so it fits left and right hand users.

The "S" blade series consist of 26 different blades, which can work in steel, aluminum, plastic, brass, cast iron and stainless steel. The blades are designed in different forms, so it is possible to work in everything from small holes, deep holes, straight edges, curved edges to cross holes.

- Works best on straight edges on most materials.
- For left and right hand users
