

## FLANGE WIZARD Master Marker MMS505 for marking on pipes and beams 1-1/2" to 18"

35171190

The Miter Marker is a compact form of the Master Marker. It is a unique layout tool for pipe and structural steel.

- The Miter Marker quickly marks pipe from 1-1/2" to 18".
- Magnetic base, with levels, help the operator to stabilize tool and quickly find top dead center of the pipe.
- Removable and completely adjustable head, with a built in level, gives the operator the ability to mark both sides of a pipe without resetting the angle because the head can rotate 360 degrees .
- Because the head rotates, the operator is not limited by pipe size if you need to move the base for continuous marking.
- The arms have spring-loaded joints for smooth and precise operation for years of trouble-free service.
- The Miter Marker sets the standard for marking pipe saddles and structural steel layout.
- The Miter Marker comes standard with a structural steel adapter and strap (for non-ferrous pipe).
- Levels are easily replaced if broken. It is machined from quality aluminum material then anodized for lasting protection.
- The Miter Marker comes in a case with foam cut-outs for storage.
- A must have for the professional.

### Product details

Item no.	35171190
EAN	5708004074281
Customs tariff	9017201000
Sales Quantity	1

### Product specifications

Barcode	5708004074281
Max. temperature	182°C / 360°F
Pipe diameter	2,54-15,24 cm/1"-6"
Product size	76,20 x 6,67 cm
Gross weight	1.350 kg
