

Hole Saw Ø20 mm HSS Bi-Metal M42 with 8% cobalt (BLACK with gold colored teeth)

60267020

Sturdy Bi-Metal hole saws that provides faster and smoother cutting on a wide range of materials. Ideally suited to cutting stainless steel, mild steel sheet, cast iron, aluminium, wood and plastic as well as metal tubes with a wall thickness of up to 3 mm. The maximum cutting depth is 41 mm. Use of lubricant enhances tool longevity, especially when used for metal applications.

- Diameter: Ø20 mm
- Cutting depth of 41 mm
- Provides a smooth cut, with minimal tendency to bite or snag on contact with irregular surfaces.
- Constructed of HSS M42 steel with a tough alloy body and cap
- Matte black color with gold-colored teeth

Product details

Item no.	60267020
EAN	5708004105749
Customs tariff	8202992000
Sales Quantity	1

Product specifications

Barcode	5708004105749
Usage	Steel, stainless, brass, copper, cast iron, light metal, wood, plaster- and plastic sheets
Diameter	Ø20 mm
Incl. centre drill	No
Incl. holder	No
Material	HSS / Cobolt
Brand name	DIESELLA
Gross weight	0.040 kg
