

## KAPRO CONDOR Professional Box Level 100 cm with OPTIVISION, Plumb-site and 2 vials

10462125

CONDOR is an extremely durable vial – due to the asymmetric profile with a vial bridge and shock-proof end cap clay. It offers all the latest features that make your work easier, faster and more accurate.

The vial is with the revolutionary OPTIVISION™ RED technology. The technology provides a high contrast ratio between the bubble and the liquid in the vial for faster and more accurate reading in light and dark environments. It increases visibility up to 8 times compared to conventional levels. All vials consist of solid and impact-resistant acrylic.

Lifetime guarantee on the vials.

Perfect for the following work areas:

- Entrepreneur
- Carpenter
- Metal

Features

- OPTIVISION™ RED technology
- Wall grip function
- Accuracy: <math>\leq 0.0005 \text{ in/in (0.5 mm/m)}</math>
