

WRKPRO Headlight Q1

50620250

WRKPRO Q1 is a headlight in a simple, clean but powerful design to resist harsh shocks and is suitable for both everyday use and for work. The headlight has dual lights LED and 6 lighting modes. White LED with adjustable brightness; High (up to 230 lm), Medium (100 lm), Low (20lm), 3Hz Flashing and Nightvision red LED with SOS-Flashing.

The headlight is equipped with big buttons for easy operation when wearing gloves. The light can be angled freely in 45° which allows the light to be adjusted to the work area.

Delivered incl. headband and battery: 3xAAA included.
